

Cretaceous Park: Understanding Cretaceous Stratigraphic Architecture & Reservoir Quality

Valhall, NPD in Stavanger, 16th- 17th October 2019

<i>Day 1: Wednesday 16th October</i>	
08:00	Registration and coffee
Welcome: Organizing committee	
09:00	Keynote speaker – Chris Parry (Spirit Energy) - Breaking old ground – Challenging the Cretaceous truths of our time!
09:45	Gildas Lageat and Sylvain Clerc (Neptune Energy) - PL636 Cara discovery – Subsurface challenges in fast track project
10:15	Jørn Hurum (UiO) - Svalbard - Dinosaurs and birds
10:45	Coffee/Tea break
Chairs:	
11:00	Filippos Tsikalas (Vår Energi) - New insights into the Cretaceous tectono-stratigraphic evolution of the Lofoten and northern Vøring margins, offshore northern Norway
11:30	Jon Ineson (GEUS) - A mid-Cretaceous relay-ramp reservoir analogue from North-East Greenland
12:15	Lunch break
Chairs:	
13:00	Keynote speaker – Rodmar Ravnås (Aker BP) - Cretaceous offshore Mid-Norway; from facies and provenance signals to basin-fills – new insight into basin evolution and play
13:45	Axel Wenke (Equinor) - The Cretaceous petroleum system of the Norwegian Sea - An integrated study
14:15	Øyvin Tysse (OMV) - Hades discovery
14:45	Coffee/Tea break
Chairs:	
15:00	Bjarne Rafaelsen (Equinor) - Cape Vulture - Near-field exploration pays off
15:30	
19:30	Dinner at Olivia

Organizing committee:

Khalid Dindane, OMV (Norøe) AS
Eirik Rosseland Knutsen, Aker BP AS
Bjørn Kåre Bryn, Spirit Energy Norøe
Stian Schjelderup, Spirit Energy Norøe
Matteo Gennaro, Vår Energi
Linn Terese Orre, Equinor
Linn Smerud, NPD
